When another year passes by, it is important to take time to reflect on change. Whether that change is in business, in a new culture, in one's family or friends, perhaps in love and in perspective— whatever the newness stems from — we're inherently drawn to individuals who positively embrace and transform change into growth.

To shed a different light, our design editor asked 15 of today's leading design influencers to share what 2015 taught them and what they hope for in the New Year.

Hello 2016!
