1. [OMEGA Speedmaster](#)

"The first watch worn on the moon. Probably the most impressive watch because of her unique history."

2. [A picture of Charlie Chaplin by Richard Avedon](#)

"Genius. Charlie Chaplin, just before being expelled from the U.S. The devil ;)"

3. [Sketches of Frank Gehry DVD by Sydney Pollack](#)

"Another genius. After so many incredible buildings and great movies, they talk like beginners! I bought the DVD for all of my team members at the office. Any art and architecture student should see it. After this, you will think and create differently."

4. [Armchair DIZ designed by Sergio Rodriguez in 2002](#)

"He was born in 1927. Rodriguez is one of the most influential Brazilian designers, he is also an architect."

5. [L'ÉCLAIR DE GENIE \(Praline Noisette\)](#)

"It is similar to French Nutella, but so much better (60% nuts and sugar...that's it). It is SO good!"

6. [Straight No Chaser DVD by Charlotte Zwerin, Produced by Clint Eastwood](#)

"A documentary about Thelonious Monk (my hero). One of the most important composer and pianists of the 20th century. He created the be-bop with Charlie Parker and Dizzy Gillespie."
